NEW ADDRESS: ROUTE 7, Frederick, Md. 21701

12/26/67

Dear Mr. Posner,

Thank you for your nice letter of 12/20.

I cannot understand why John Sterling never had me back or why Gene Burns has not interviewed me, at least by phone, which many other stations do, regularly, particularly because I am, to them, "local".

Obviously, it is impossible, with the already heavy burden of the work in which I am still engaged, to write or phone each program on each station. I can only regret their unwillingness to do what can easily be done and what should be obvious.

As you can see from the enclosed, I have done much more than the first book, which you have. The second is also available in a Dell reprint, some places. If the fourth is available on news stands, it costs only 95¢ there. We have to add the various costs.

Should you ever be in touch with any of these programs, I would welcome the opportunity to appear by phone, which is simple and effective, and I think I can present fresh and exciting material.

Again, thanks for your kindnesses.

Sincerely,

Harold Weisberg
